

THE LATEST, HOTTEST INFO ABOUT ST. MARK'S
(Outreach Opportunities Galore!!)

About once a month, a brief visually attractive email message about an upcoming ministry at St. Mark's can come your way, a Broadcast Email Message! Our own Alan Singles, who already makes so many of our attractive narthex posters, artistically designs these messages and sends them out. Already several members receive this crisp, insightful message. (Ask around . . . great feedback is given!!)

To get started, go to our webpage at www.saintmarkslc.com and hit the subscribe link, input the necessary information, and you are good to go!

MORESO, these emails can easily be forwarded to friends and family. Surveys tell us that THE most effective form of outreach, is when members encourage, invite others. Now you can easily invite others to worship, spiritual growth and participation in various church ministries. Now it is up to you! Go and help make disciples.
