

CANDLELIGHT CHRISTMAS EVE SERVICE

10:00PM

In addition to the beautiful, inspiring carols and anthems to be sung by all on Christmas Eve, we will hear something very special. Our very own Jesse Guessford has composed a piece for the choir which incorporates two wonderful carols – “Peace on Earth” and “Little Drummer Boy.”

Our Senior Choir will be singing several anthems to enhance our worship and celebration of Christ’s birth. This particular anthem has special meaning for us, and we humbly offer it to God’s Son.

Have an early dinner and family time, and then join us at 10:00pm. The word, music and candlelight will help you remember why we feel so loved and full of hope.
