

## **CHILDREN'S ACTIVITY BAGS NOW AVAILABLE!**

Thanks to lots of help from Lori Weniger, St. Mark's now has activity bags to keep children busy during the worship services. There are many different bags to choose from for toddlers through age 10. Some bags are specifically for ages three and under while others are for three and up so please check the label on the bag when helping your child choose one. Look for the bags under the name-tag board. Enjoy!

If you would like to help keep materials in these activity bags updated please contact Lori Weniger at (610) 364-1894.
