

CONFIRMATION MINISTRY - “OFF AND RUNNING”

With five new incoming confirmands, this class of thirteen youth have jumped right into a full program of praying, learning, and serving God through confirmation. Already (!) they have raised money for the hungry through participation in the 5K LCS Walk/Run, completed their most enjoyable fall retreat at Cape Henlopen State Park (Look for exciting details in the next LION.) and begun serving in worship on Sundays. Special thanks to Barb Melvin – who co-teaches with Pastor Fred (and is the ring leader for pranks on the pastor), Lisa Rosenblatt – who assists with the class, Kristie Kaufman – who is the “game-master,” and Joy Cropper – who is this year's meal coordinator. And plenty of help from other parents will occur. (Thanks!)

And the goal, of course, is to help our youth to become “disciples of Jesus,” amid study, service, fun, and care for each other. What a great start! Pray for everyone.
