

## JUST A NOTE ABOUT OUR EASTER FLOWERS!

As you know, we began using Breger Flowers several months ago. We will offer only one size of Easter lily this year . . . a 6 inch pot with 5 to 6 blooms. We also have only one size of hyacinth in a 6 ½ inch pot with 3 blooms. While the selection is not quite as wide, the prices are very good!

From Kitty Breger: *Since Easter is so early, no growers will have geraniums in pots or baskets. They will not have root formation.* So, she's offered us two alternatives: 1) *In the past and this year, my grower will have colored lilies, smaller head size but almost as tall as the Easter lily. They come one bulb to a pot, and can be planted outdoors to bloom again in June and July.* These are the lilies we often see in our Sunday morning bouquets; 2) The second suggestion was the hydrangeas. These are smaller plants with 3 blooms, mostly pink. They will last and can go into the garden after Easter.

We have had beautiful arrangements and lovely poinsettias from Breger. I am sure we will enjoy the lovely plants decorating our altar this coming Easter. The order form for the Easter flowers is at the end of this LION. If you have any questions, please feel free to call me at 302-798-3803.
