

FUNERAL RECEPTION UPDATE

As indicated in the March LION, a new Coordinating Committee has been formed to handle funeral luncheons or receptions. Families who wish to have a luncheon or reception following a funeral or memorial service should call the office (764-7488), and the office will contact the Committee Coordinator to make the arrangements. It will be the responsibility of the family to obtain the food and bring it to the church, unless they are using a caterer, in which case the caterer will bring it. The office has brochures from local supermarkets and caterers to facilitate ordering. Committee members will be responsible for covering serving tables with white lace tablecloths, and they will furnish white paper plates, white napkins, plastic cutlery, and hot and cold cups. Coffee and hot water for tea will be prepared, and sugar, cream and lemon will also be available. The committee will also do the cleanup. Families may bring other paper products if they so choose.
