

GREAT GROUPS 2007...CONTINUE

This fall, Great Groups continue, running for four weeks starting September 23. We have at least 9 groups this year, a group for just about every day of the week! These groups meet to pray, study the Bible together, and just have some fun and fellowship. It all ties back to the Fall Theme of "Breakthrough Disciples...follow Jesus". Join a great group to get to know others at St. Mark's!

Are YOU interested in leading a great group? ***There is one area where we see a need:*** We would like to find a host home and leader for a group for those with small children, to be held on Saturday mornings. St. Mark's will get a plan together for watching and caring for the kids, while parents get to know each other. If God is nudging you to help with this great group opportunity, please call Rebecca Shindel at 438-1939.
