

## Habitat for Humanity – “*Serving & Bringing Others*”

The work being accomplished for the 10 unit building is making excellent progress and the goal is to be completed by the end of November. A great time for the new occupants to be in their new homes for the joyful holiday season. Habitat has asked for volunteers to stay one hour longer than usual to help make this happen. St. Mark's has done a Fantastic job and we are now heading towards the finish. We always look for volunteers so ask your friends and neighbors. Consider **Serving and Bringing Others**.

The next volunteer day is scheduled for **Thursday, September 10**. No experience needed and everyone works at their own pace. Lunch is an hour and the day usually ends around 3:30 pm. Dress is jeans, sneakers or boots. Gloves, eyewear and tools are provided. Bring a lunch or buy from a local sandwich shop. Drinking water is provided. If you want to discuss the actual day more, please call Frank Burns (302-429-8577)
