

LAY COMMUNION TEAM

We continue to serve those unable to get to St. Mark's with the Lay Communion Team that provides in home and hospital visits. We certainly know that communion is a vital part of being a Christian, but we also know that it is the visit and the human interaction that has made this St. Mark's outreach such an important one.

Many thanks to all those who have dedicated their time for this very important ministry. It is truly a Joy to chair this team. God's Blessings to you all. If you know of anyone that would like a visit, please contact Pastor Fred or myself.

Lois Broeker, Chair
