

NURSERY HELP NEEDED
LOOKING FOR PEOPLE WHO LOVE TO PLAY!!!

The Nursery needs more volunteers. This vital ministry within our church would give you approximately an hour to play with and interact with the youngest members and prospective members of our congregation. You could play with trains, legos, get a tour of the doll house and at the same time have a gourmet meal cooked for you in our kitchen. There are many fun activities to enjoy as you keep our children safe. You can pick which service would work best for you. Our goal is to have each volunteer work approximately 2 Sundays a year. Even one Sunday would be a great help!! Please call or e-mail Lucy Mills (610-558-2606; inbackcountry@aol.com) if you would like to become a member of the team. Please give this ministry prayerful consideration. Thank you!
