

NO MISUNDERSTANDING SAME RULES

Just a clarification for anyone using St. Mark's Church facilities. When having an event and using the Great Room and other rooms, it is your responsibility to provide all table cloths, napkins, plates, cups, etc. that will be needed. You are welcome to use our dishes, cups and saucers, silverware, glasses, etc. provided you have a "clean up" crew who has been trained in our kitchen. St. Mark's welcomes the fellowship that we can provide to you, your family and friends.

If you need assistance on training please contact Terry Olsen (656-4933) or Nancy Fuson (517-9333).
