

## CONTEMPORARY WORSHIP

PERSONALITY AND TALENT? You're blessed--and needed! All Shower Divas and My-Hairbrush-Is-My-Microphone-Wannabes: the Worship Band (WB) wants you! Come up and say something to me (I'm the mouthy one at the front of the band), and we'll get you started at a pace that works for you. You don't even have to sing every Sunday. You DO have to be able to carry a tune... But I know we are all "under construction" in many ways, our musical abilities, being over- or under-committed to activities, our walk with Jesus. Whatever your place on these paths, I'm happy to work with you. Thanks!
